### **AROS-RUNDSCHREIBEN 20**

### 1. Herbsttreffen 3. bis 5. November in Köln

Die Teilnahme am diesjährigen Herbsttreffen hat sich erfreulich gesteigert, auch Gäste nahmen daran teil. Wichtige Punkte zum Zustand und der Zukunft des Vereins wurden auf der JHV besprochen.

Das Protokoll wird im nächsten TS veröffentlicht werden.

Die JHV kann beginnen!

Sfr. beim Vortrag zu osman. Postrouten & Gebühren auf heute griech. Territorium.

# 2. Versandbeauftragter

Wir haben nun einen Versandbeauftragten gefunden und besprechen aktuell die Details mit ihm. Ich danke auf jeden Fall den anderen Mitgliedern, die sich gemeldet hatten. Ich war ja positiv überrascht, daß sich überhaupt jemand gerührt hat, und dann sogar noch 3 Leute!

### 3. Wie machen wir uns und unsere Sammelgebiete attraktiver?

Auf der Versammlung wurde vorgeschlagen, auf der Homepage (ggfs. auch als Sonderheft) neue Sammler an das Thema Türkei und Naher Osten heranzuführen. Es geht (meiner Meinung nach) weniger darum 16-Jährige von Briefmarken zu begeistern, eher mit-Vierziger/Fünfziger die schon sammeln unsere Gebiete schmackhaft zu machen. Wie sehen Sie das?

Wir sammeln erstmal kurze Artikel (1-2 Seiten A4 oder so), etwas Text, ein paar Bilder, die Sammelgebiete attraktiv vorstellen. Motivphilatelie, Social Philately, ein hübscher Belege....so was. Ggfs. stellen wir auch einzelne Artikel aus dem TS auf die Webseite – aber vieles ist halt zu speziell, oder? Wer Ideen hat, darf sich beim Vorstand melden!

### 4. Mitgliederkatalog

Die Benachrichtigungen zum Mitgliederkatalog wurden an alle Mitglieder mit E-Mail-Adresse versendet. Bisher hat aber weniger als ein Drittel geantwortet. Daher die Bitte dies zügig nachzuholen.

Was passiert wenn Sie die Daten für den Mitgliederkatalog nicht bestätigen? Der Eintrag wird dann ausschließlich aus Vor- und Nachname und Mitgliedsnummer bestehen. Schade

#### 5. Redaktionsschluß TS 147

### 6. Mitgliederversammlung von Al-Barīd, 25.11.2023

#### Theo Kester, Al-Barīd, schreibt:

Die Bestandteile des Festprogramms sind: Ein Vortrag von Jan van Zellem über Faruk und Fausia; Briefturnier: Zeigen Sie Ihren schönsten Brief!; Quiz: Stellen Sie Ihr philatelistisches Wissen über die islamische Welt unter Beweis; Auktion: Wenn Sie etwas für die Auktion anbieten möchten, geben Sie bitte unserem Auktionator Theo Hooft Bescheid (tisihooft@hetnet.nl); und natürlich auch Getränke.

Ort: Excelsior, Singel 45a, 3442 AL Woerden, 25.11.2023, Einlass ab 9:00, JHV ab 12:00. Infos bei Theo Kester, <a href="mailto:theodorus.kester@gmail.com">theodorus.kester@gmail.com</a>.

# 7. Versteigerung (

Aus krankheitsgründen mußte unser geschätzter seine Sammeltätigkeit beenden. Wir wünschen ihm alles Gute! Er läßt seine Sammlungen auf der nächsten Auktion von Corinphila NL versteigern: Auktion 258 findet zw. dem 13. und 16.03.2024 statt. Der Katalog wird rechtzeitig erscheinen: <a href="https://corinphila.nl/">https://corinphila.nl/</a>.

# 8. Kauf und Tausch (

Dr. (Nichtmitglied), Berlin, schreibt:

Ich sammle Europa und damit auch die Marken der Türkei, allerdings ohne Spezialisierung. Ich könnte mir denken, dass sich bei Ihren Mitgliedern ein "Beifang" angesammelt hat, der für Spezialisten uninteressant ist, einem Normalsammler aber, der mit "ungestempelt'gestempelt" zufrieden ist, die Möglichkeit bietet, seine Sammlung zu ergänzen.

Sollte eines Ihrer Mitglieder bereit sein, mir aus seinen Beständen (**vorerst Republik Türkei**) Dubletten zu überlassen, bitte ich um die Anschrift. Da ich sicher nichts für ihn Interessantes zu bieten habe, müsste ich mich mit ihm auf eine Umrechnung Michel/€ einigen.

Ich bin seit Jahren Mitglied des Briefmarken-Sammler-Vereins Lichtenrade e.V. und kann auf Wunsch ein Gutachten über meine Seriosität vorlegen.

# 9. Kauf und Tausch (

Herr hat als Gast unser Herbsttreffen besucht und bereits einige Tauschkontakte geknüpft:

Einen ganz herzlichen Dank an Ihre Kollegen und Sie für die sehr freundlich Aufnahme am Samstag. Es ist doch immer wieder schön sich mit Gleichgesinnten austauschen zu können und immer wieder beeindruckend, wie viel Fachwissen sich einzelne Sammler über Jahrzehnte erarbeitet haben.

Gerne nehme ich Ihr Angebot an und schicke Ihnen eine Auflistung meiner Sammelgebiete anbei. Wer von Ihren Mitgliedern Interesse hat, kann mich gerne kontaktieren und dem schicke ich dann gerne die Fehlliste für das einzelne Sammelgebiet.

Grundsätzlich kann man sagen das ich ausschließlich postfrisch und ab ca. 1945 sammle. Türkei, Türkisch Zypern und die Golfstaaten bis heute, einige andere europäische Länder teilweise nur bis 2000.

Darüber hinaus sammle ich die Türkei und die U.A.E auch als FDC. Über eine Kontaktaufnahme Ihrer Mitglieder würde ich mich sehr freuen!

Die Liste der Sammelgebiete finden Sie im Anhang zu diesem Rundbrief.

### 12. 100 Jahre Republik Türkei

Im Oktober- und November-Heft der *philatelie* erschien der Artikel von Otto Graf. Dieser kann bei der Literaturstelle als PDF angefordert werden.

### 13. Holy Land Postal History

Der israel. Philatelistenverband hat die Zeitschrift des ehemal. Vereins *Society of the Postal History of Eretz-Israel* (83 Ausgaben, nummeriert 1 bis 133, erschienen 1979–2017) digitalisiert und auf seiner Webseite zur Verfügung gestellt: <a href="http://israelphilately.org.il/info\_e.asp?item=32">http://israelphilately.org.il/info\_e.asp?item=32</a>. Ich werde diese Ausgaben (die ich alle schon als gedruckte Hefte besitze) als PDF archivieren. In Heft 101 ist eine Art Index der ersten 100 Nummern enthalten.

### 14. Heimatsammlung Ada Kaleh (Serbien/Rumänien)

Ein außenstehender Sammler kam auf mich zu: er besitze eine (Heimat)sammlung zur Festungsinsel Ada Kaleh in der Donau nahe Orşova und Текија. Dabei handelt es sich (laut Wikipedia)¹ um eine durch Zufall entstandene Exklave des Osmanisches Reiches im Länderdreieck Österreich-Ungarn, Serbien und Rumänien, weitab von den auf dem Berliner Kongress festgelegten Grenzen des Osmanischen Reiches. Sie wurde bis 1913 weiter von Konstantinopel aus verwaltet, dann von Österreich annektiert, fiel die Insel 1923 an Rumänien und versank Anfang der 70er Jahre in der aufgestauten Donau.

Wer Interesse an daran hat (der Sammler plant aber aktuell keinen Verkauf) kann sich an mich wenden, ich vermittle dann den Kontakt: <a href="mailto:tuerkeispiegel@arosturk.de">tuerkeispiegel@arosturk.de</a>.

### 15. Angebot Türkische Ganzstücke

Ebenfalls in Reaktion auf den Artikel von Otto Graf in der *philatelie* hat sich ein schwäbischer Sammler gemeldet, der eine kleine Sammlung türk. Ganzstücke verkaufen möchte. Mittlwerweile sind Scans vorhanden, die auch auf der JHV gezeigt wurden. Die Belege gehen vom 19. Jahrhundert bis in die 80er Jahre, alles sehr gemischtes Material, vielfach großformatige Bank- und Diplomatenpost.

Die PDF mit den Scans kann man hier herunterladen:

#### https://app.box.com/s/mc8tb38z09t397u1hwng0fvebv1wawo6

Alle Angaben ohne Gewähr. Wer an einem (oder mehreren) Stück Interesse hat meldet sich bei mir, ich sammle die E-Mails und reiche Sie dann an den Verkäufer weiter.

#### 16. Die AROS Bibliothek hilft ...

Bei jedweder Anfrage versuche ich zu helfen, in der Bibliothek zu recherchieren, Kopien und Scans anzufertigen, oder Kontakt zu anderen Mitgliedern herzustellen. PS: Ausleihen darf man die Bücher und Zeitschriften in unserer Bibliothek ja auch!

<sup>1</sup> Vgl. <a href="https://de.wikipedia.org/wiki/Ada\_Kaleh">https://de.wikipedia.org/wiki/Ada\_Kaleh</a>. Buchtip zum Thema: J. G. Kohl: Hundert Tage auf Reisen in den österr. Staaten. Dresden, 1842.

### 17. Asaf Tanrıkut: "Türkiye posta ve telgraf ve telefon tarihi ve teşkilât ve mevzuatı"

Wer gut türkisch kann, darf gerne bei der Übersetzung des Inhaltsverzeichnisses mithelfen. Bitte melden Sie sich: tuerkeispiegel@arosturk.de

### 18. Das digitale Archiv des Instituts Aldo Cecchi

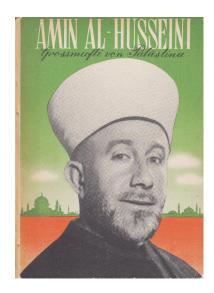

Der FEPA Nerwsletter vom 13.11.2023 enhielt diese Notiz (übersetzt):

In den letzten Monaten wurde die Website des Istituto di studi storici postali "Aldo Cecchi" in Prato mit Dokumentationen zur italienischen Postverwaltung ab 1861 weiter ausgebaut. Fast 6.000 Dateien (Bilder oder pdf-Dokumente mit einer Gesamtgröße von über 60 Gigabyte) sind frei herunterladbar. Die Nutzer können zum Beispiel alte Amts- oder Fachzeitschriften aus dem Postsektor erhalten, ohne sich von ihrem Schreibtisch zu entfernen oder etwas zu bezahlen. Sie müssen die Adresse www.issp.po.it aufrufen und den Bereich "Fonti e Risorse" (Quellen und Ressourcen) wählen. Hier können sie in den Beständen der Bibliothek und der Zeitungsbibliothek des Instituts sowie in den Dokumenten und gedruckten Veröffentlichungen der italienischen Postverwaltung stöbern.

"Wenn man das von ISSP-Vorstandsmitglied Giorgio Chianetta und ISSP-Mitglied Beniamino Bordoni geordnete und klassifizierte Material untersucht, kann man eine Fülle von Informationen finden", bestätigt ISSP-Direktor Bruno Crevato-Selvaggi. Sie reichen von der Organisation des Personals bis zum Umzug der Ämter, von technologischen Einblicken in funktelegrafische Übertragungen bis zu Postgebäuden und Nachrichten über die Aktivitäten der Postangestellten nach Feierabend – ein Teil des Archivs betrifft alte philatelistische Zeitschriften. Jeder wird hier reichlich Material für seine Forschungen finden.

Anmerkung: Die Recherche funktioniert nur in der italien. Version der Webseite.

### **AROS CIRCULAR 20 - English Summary**

### **Autumn meeting 3 to 5 November in Cologne**

Attendance at this year's autumn meeting increased encouragingly, with guests also taking part. Important points concerning the status and future of the association were discussed at the AGM. The minutes will be published in the next TS. Pictures:

# **Despatch Agent**

We have now found a despatch agent and are currently discussing the details with him. In any case, I would like to thank the other members who got in touch. I was pleasantly surprised that anyone got in touch at all, and then even 3 people!

### How do we make ourselves and our collecting areas more attractive?

At the meeting it was suggested to introduce new collectors to the subject of Turkey and the Middle East on the homepage (possibly also in a special issue of TS). In my opinion, it's less about getting 16-year-olds interested in stamps and more about making our areas attractive to people in their forties/fifties who are already collecting. How do you see it?

We start by collecting short articles (1-2 pages A4 or so), some text, a few pictures that present the collecting areas in an attractive way. Motif philately, social philately, a nice cover.... something like that. We may also put individual articles from the TS on the website - but a lot of things in TS are just too specialised, isn't it? If you have any ideas, please get in touch with the board!

### Members catalogue

Notification of the membership catalogue has been sent to all members with an e-mail address. So far, however, less than one third have replied. We therefore ask you to do so as soon as possible.

What happens if you do not confirm the data for the members catalogue? The entry will then only consist of first and last name and membership number. What a pity.

#### **Editorial deadline for TS 147**

... is 1st December 2023.

### Meeting of Al-Barīd, 25.11.2023

Theo Kester, Al-Barīd, writes:

I hereby invite you to the general meeting and year-end celebration of our association on 25 November. Location: Excelsior, Singel 45a, 3442 AL Woerden, 25/11/2023, admission from 9:00, AGM from 12:00. Info from Theo Kester, theodorus.kester@gmail.com.

Auction	١
Auction	,

Due to illness, our esteemed member had to end his collecting activities. We wish him all the best! He will have his collections auctioned at the next auction of Corinphila NL: Auction 258 will take place between 13th and 16th March 2024. The catalogue will be published in time:

https://corinphila.nl/

# Buy/Sell/Exchange (

Dr. (non-member), Berlin, writes:

I collect Europe and therefore also the stamps of Turkey, but without specialisation. I could imagine that your members have accumulated a "by-catch" which is of no interest to specialists, but which offers a normal collector who is satisfied with "uncancelled/cancelled" the opportunity to supplement his collection.

Should one of your members be prepared to give me duplicates from his holdings (for the time being Republic of Turkey), please send me the address. As I certainly have nothing of interest to offer him, I would have to agree with him on a Michel/€ conversion.

I have been a member of the Lichtenrade Stamp Collectors' Association for many years and can provide a certificate of good standing on request.

Contact:

# Buy/Sell/Exchange (

Mr. It visited our autumn meeting as a guest and has already made a few swap contacts:

Many thanks to your colleagues and you for the very friendly welcome on Saturday. It is always nice to be able to exchange ideas with like-minded people and it is always impressive to see how much specialist knowledge individual collectors have acquired over decades.

I will gladly accept your offer and send you a list of my collecting areas. If any of your members are interested, please feel free to contact me and I will be happy to send you the missing list for the individual collecting area.

Basically you can say that I only collect mint and from about 1945. Turkey, Turkish Cyprus and the Gulf States until today, some other European countries partly only until 2000.

I also collect Turkey and the U.A.E. as FDC.

I would be very pleased to hear from your members!

You will find the list of collecting areas in the appendix to this newsletter.

### 100 Years of the Republic of Turkey

The article by Otto Graf appeared in the October and November issues of *philatelie*. It can be requested as a PDF from me.

### **Holy Land Postal History**

The israeli Philatelists' Association has digitised the journal of the former *Society of the Postal History of Eretz-Israel* (83 issues, numbered 1 to 133, published 1979-2017) and made them available on its website: <a href="http://israelphilately.org.il/info\_e.asp?item=32">http://israelphilately.org.il/info\_e.asp?item=32</a>. I will archive these issues (all of which I already own as printed issues) as PDF files. Issue 101 contains a kind of index of the first 100 issues.

### Collection Ada Kaleh (Serbia/Romania)

A collector approached me recently: he owns a collection on the fortress island of Ada Kaleh in the Danube near Orşova and Текија. This is (according to Wikipedia) an exclave of the Ottoman Empire that came into being by chance in the triangle of countries Austria-Hungary, Serbia and Romania, far from the borders of the Ottoman Empire established at the Congress of Berlin. It continued to be administered from Constantinople until 1913, and is even said to have been a local postal service with stamps. First annexed by Austria, it fell to Romania in 1923 and sank into the Danube in the early 1970s.

If you are interested (the collector is not planning to sell it at the moment), please contact me and I will put you in touch with the collector: <a href="mailto:tuerkeispiegel@arosturk.de">tuerkeispiegel@arosturk.de</a>.

#### Sale of Ottoman and Turkish Items

Also in response to the article by Otto Graf in *philatelie*, a Swabian collector has contacted me who would like to sell a small collection of Turkish covers. Scans are now available, which were also shown at the AGM. The covers range from the 19th century to the 1980s, all very mixed material, often large-format bank and diplomatic mail. The PDF with the scans can be downloaded here:

https://app.box.com/s/mc8tb38z09t397u1hwng0fvebv1wawo6

All information without guarantee. If you are interested in one (or more) items, please contact me, I will collect the e-mails and then pass them on to the seller.

### The AROS library helps ...

I try to help with any enquiry, to research in the library, to make copies and scans, or to establish contact with other members. PS: You can also borrow books and magazines from our library!

Those who know Turkish well are welcome to help with the translation of the table of contents. Please get in touch: tuerkeispiegel@arosturk.de

### The digital archive of the Aldo Cecchi Institute

The FEPA Nerwsletter of 13 November 2023 contained this note (translated):

In recent months, the site of the Istituto di studi storici postali "Aldo Cecchi" odv in Prato has been further implemented with documentation on the Italian postal administration from 1861 onwards. Almost 6,000 files (images or pdf documents totalling over 60 gigabytes) are freely downloadable. Users can obtain, for example, old official or specialised magazines referring to the postal sector without moving from their desks or paying anything. They must reach the address www.issp.po.it and select the 'Sources and Resources' section. Here, they can browse the repertoires of the Institute's library and newspaper library and the documents and printed publications of the Italian postal administration.

"By examining the material arranged and classified by ISSP Board member Giorgio Chianetta and ISSP member Beniamino Bordoni, one can find a wealth of information", confirms ISSP director Bruno Crevato-Selvaggi. It ranges from the organisation of personnel to the movement of the offices, from technological insights into radio-telegraphic transmissions to postal buildings and news about the post employees' afterwork activities — one part of the archive concerns vintage philatelic magazines. Everyone will indeed find ample material for their research.

Note: The search only works in the Italian version of the website
